

First of all I'd like to thank you for invitation and making my first visit in Australia so special. It was really a pleasure and honour to be a part of such a big event – 50th Anniversary Championship Show GRC of Victoria.

I'd like to thank the wonderful people I met this week for a great time, special thank you to Carol and David Stafford who care about me on these days.

Many thanks for the lovely entry, I very much enjoyed my line ups!

There were so many very good dogs in some classes that it was not easy placing them. My main notice was that I didn't find too many Goldens who were short on the legs which is easy to find nowadays at European rings. Overall impression of "aussie goldens" were full of quality, really good movers, however some moving out and coming back could be better. Not always type of head and expression which I really like but my winners and placings I liked very much. Definitely I found some dogs which I would take home with me without any doubt.

Once more thank you very much, also to exhibitors, for making my first judging appointment in Australia perfect.
